Department of Children and Family Services (DCFS)
Mandatory Training for University Employees

Do your part to keep the Illinois State University campus safe and secure.

When in Doubt - REPORT!

Training presented by
the Office of Equal Opportunity and Access
Illinois State University personnel have a responsibility to help maintain the safety and security of the campus. It’s not only the right thing to do, it’s the law!

**Know Your Role**

Illinois law mandates all Illinois State University employees must report suspected child abuse:

**Report** suspected child abuse or neglect to the Illinois Department of Children and Family Services (DCFS) any time you have reasonable cause to believe a child known to you in your official capacity may be abused or neglected.

**Consequences:**
Failure to report is a violation of law and could lead to university disciplinary action.
The Illinois Abused and Neglected Child Reporting Act now requires **ALL Illinois State University employees** to immediately report cases of suspected child abuse (physical or sexual) or neglect of minors (children under the age of 18) to the Illinois Department of Children and Family Services.

**Take action if you...**

- Have reasonable cause to believe a child you interact with or encounter in your official or professional capacity may be abused or neglected.

If you are not sure that a situation meets these criteria, call the DCFS Hotline anyway (DCFS 1-800-25ABUSE). DCFS will assess the situation.

**When in doubt—REPORT!**
How To Report Suspected Child Abuse or Neglect

**Emergency**

**STEP 1** In an emergency, when there is immediate risk of harm, or when a child has been injured: Dial 9-1-1.

**STEP 2** Immediately call the DCFS Hotline: 1-800-25ABUSE. The hotline is available 24 hours a day, every day of the year.

**STEP 3** After you have called the DCFS hotline, contact the Illinois State University Police at (309) 438-8631 or TTY (309) 438-8266 or complete the Public Incident Report Form at the Campus Safety & Security website.

**Non-Emergency**

**STEP 1** Immediately call the DCFS Hotline: 1-800-25ABUSE. The hotline is available 24 hours a day, every day of the year.

**STEP 2** After you have called the DCFS hotline, contact the Illinois State University Police at (309) 438-8631 or TTY (309) 438-8266 or complete the Public Incident Report Form at the Campus Safety & Security website.
Physical abuse of a minor child can occur in different ways, including but not limited to:

- **Inflicting or allowing injury to be inflicted on a child.** The intentional injury could cause death, disfigurement, impairment of physical or emotional health, or loss or impairment of any bodily function (e.g. bruises, bites, bone fractures, cuts, welts, and burns).

- **Creating a substantial risk of physical injury to a child,** with the impacts described above likely as a result.

- **Deliberately inflicting or allowing cruel or unusual treatment** that results in physical or mental suffering by the child.

- **Exposing a child** to the manufacturing, selling, or use of a controlled substance (e.g. illegal drugs), or giving or allowing a controlled substance to be given to a child under 18 years of age.
Definition: Sexual Abuse and Neglect of Minors

Sexual abuse of a minor child occurs when there is sexual penetration, molestation, or exploitation.

Examples include but are not limited to:
- Touching or fondling a child or asking the child to touch herself/himself for the sexual gratification or arousal of the perpetrator or the child, or exposing genitals to a child
- Child pornography
- Forcing a child to watch sex acts

Neglect of a minor child occurs when a parent or responsible caretaker fails to provide minimum requirements for his/her child.

Examples include but are not limited to:
- Inadequate supervision
- Inadequate medical care/attention, food, clothing
- Significant delay in providing minimum living/care standards
Required DCFS Training

Part of the DCFS training is required to be completed on the DCFS website* per the Illinois Abused and Neglected Child Reporting Act.

All Illinois State University employees are required to complete the DCFS Training that is hosted on their website* as a new hire and at least every three years in the month of October. DCFS estimates this training will take 60-90 minutes to complete.

If you need to leave the course on the DCFS website, you may re-enter at any time by logging in again with your email and password.

*If you have technical problems or any questions about the DCFS website, please contact DCFS directly at: 866-250-5494 or email dcfssupport@cait.org.

Once the training on the DCFS website is complete, be sure to return from the DCFS website back to this training system. You will need to complete the remaining Illinois State University DCFS training and affirm you completed the training in this system.
Please note that the information on the following slides will take you to the external training that is provided by DCFS and is required by all University employees participating in this training. The external training is required to be completed every three years. If you believe you completed the external training within the last three years, please proceed through the remainder of this training to the certification page on the final slide. By certifying that you have completed the training, you are certifying that you have completed both the Mandatory Reporter Training this year and the external DCFS training within the last three years. If you are not sure if you have completed the external training in the last three years, please reach out to ComplianceTraining@IllinoisState.edu to confirm.
Steps to Complete Required DCFS Training

If you already completed the Mandatory Reporting Training as an employee at Illinois State University (either as a new hire or during the annual training), you are a “Returning User” and need to follow the directions below. Otherwise, skip the steps below and go the next page and follow the instructions for “New Users” to create a new DCFS login.

“Returning Users” - follow the instructions below:

• Select mr.dcfstraining.org to go to the DCFS website* and follow the “Returning User” instructions.

When in Doubt – REPORT!
I affirm that I have completed the DCFS training. I understand that as an employee of Illinois State University, I have knowledge and understanding of the DCFS reporting requirements. I also understand that I am a mandated reporter under the Abused and Neglected Child Reporting Act [325 ILCS 5/4] and am required to report, as described in this training, whenever I have reasonable cause to believe that a child known to me in my professional or official capacity may be abused or neglected.

Upon completion of this training, a DCFS Acknowledgement of Mandated Reporter Status (CANTS22 form) is available to save or print for your records if you like.

Note: There is no need to submit the DCFS Acknowledgement form to any Illinois State official since this acknowledgement certifies your completion of the mandated DCFS training.
